Summary

Motivated and detail-oriented B.Tech Computer Science and Engineering student specializing in Data Science. Skilled in data cleaning, analysis, and visualization using Python (Pandas, NumPy, Matplotlib, Seaborn) and SQL. Experienced in working with real-world datasets, creating meaningful visualizations, and building insights to support decision-making. Strong foundation in programming and database management, with excellent teamwork, problem-solving, and communication skills. Currently pursuing hands-on projects and certifications to build expertise as an AI/ML and Data Science professional.

Education

B.Tech Computer Science and Engineering

Sree Narayana Gurukulam College Of Engineering,kadayiruppu,Kerala

Pursuing

- Current CGPA: 8.16

Experience

Intern AI/ML and Data Science

Jun 2024 – Jul 2025

- Performed data cleaning and preprocessing using **Pandas** and **NumPy** to prepare datasets for analysis.
- Wrote optimized **SQL** queries to extract, join, and manipulate large datasets from relational databases.
- Designed data visualizations with **Matplotlib** and **Seaborn** to effectively communicate findings.

Certificates

Certificate in Data Science

Skills

Programming: Python (Pandas, NumPy, Matplotlib, Seaborn), SQL, C

Data Science: Data Cleaning, Data Analysis, Data Visualization

Tools: Jupyter Notebook,vs code

Soft Skills: Strong academic record, Teamwork, Problem-solving, Communication,Database Management

Languages: English,Malayalam

Hobbies

Drawing
